Galyn & Curtis, sitting in a tree -----

the Love, Marriage & baby in a baby carriage came with it...

though that was more of a meta-physical thing

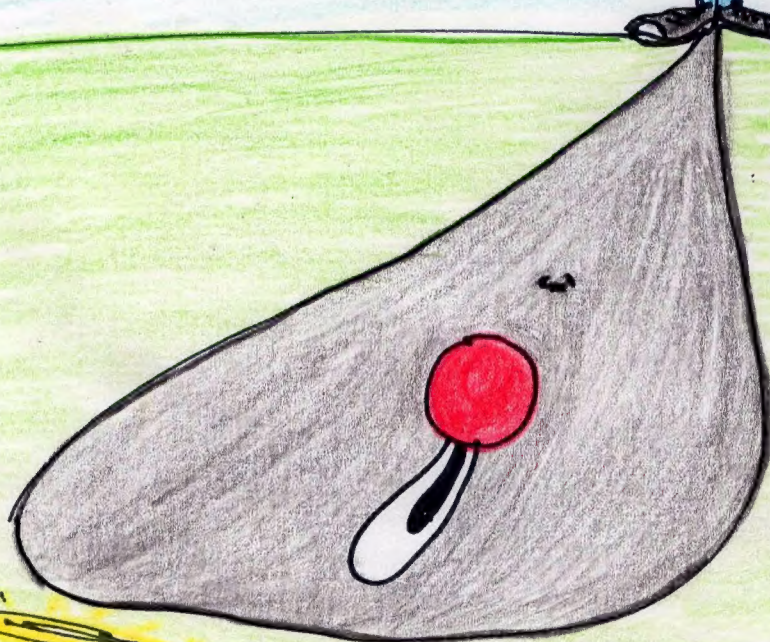

than a true hue-man baby, or ceremony, or love, other than that they  
were born as one man..

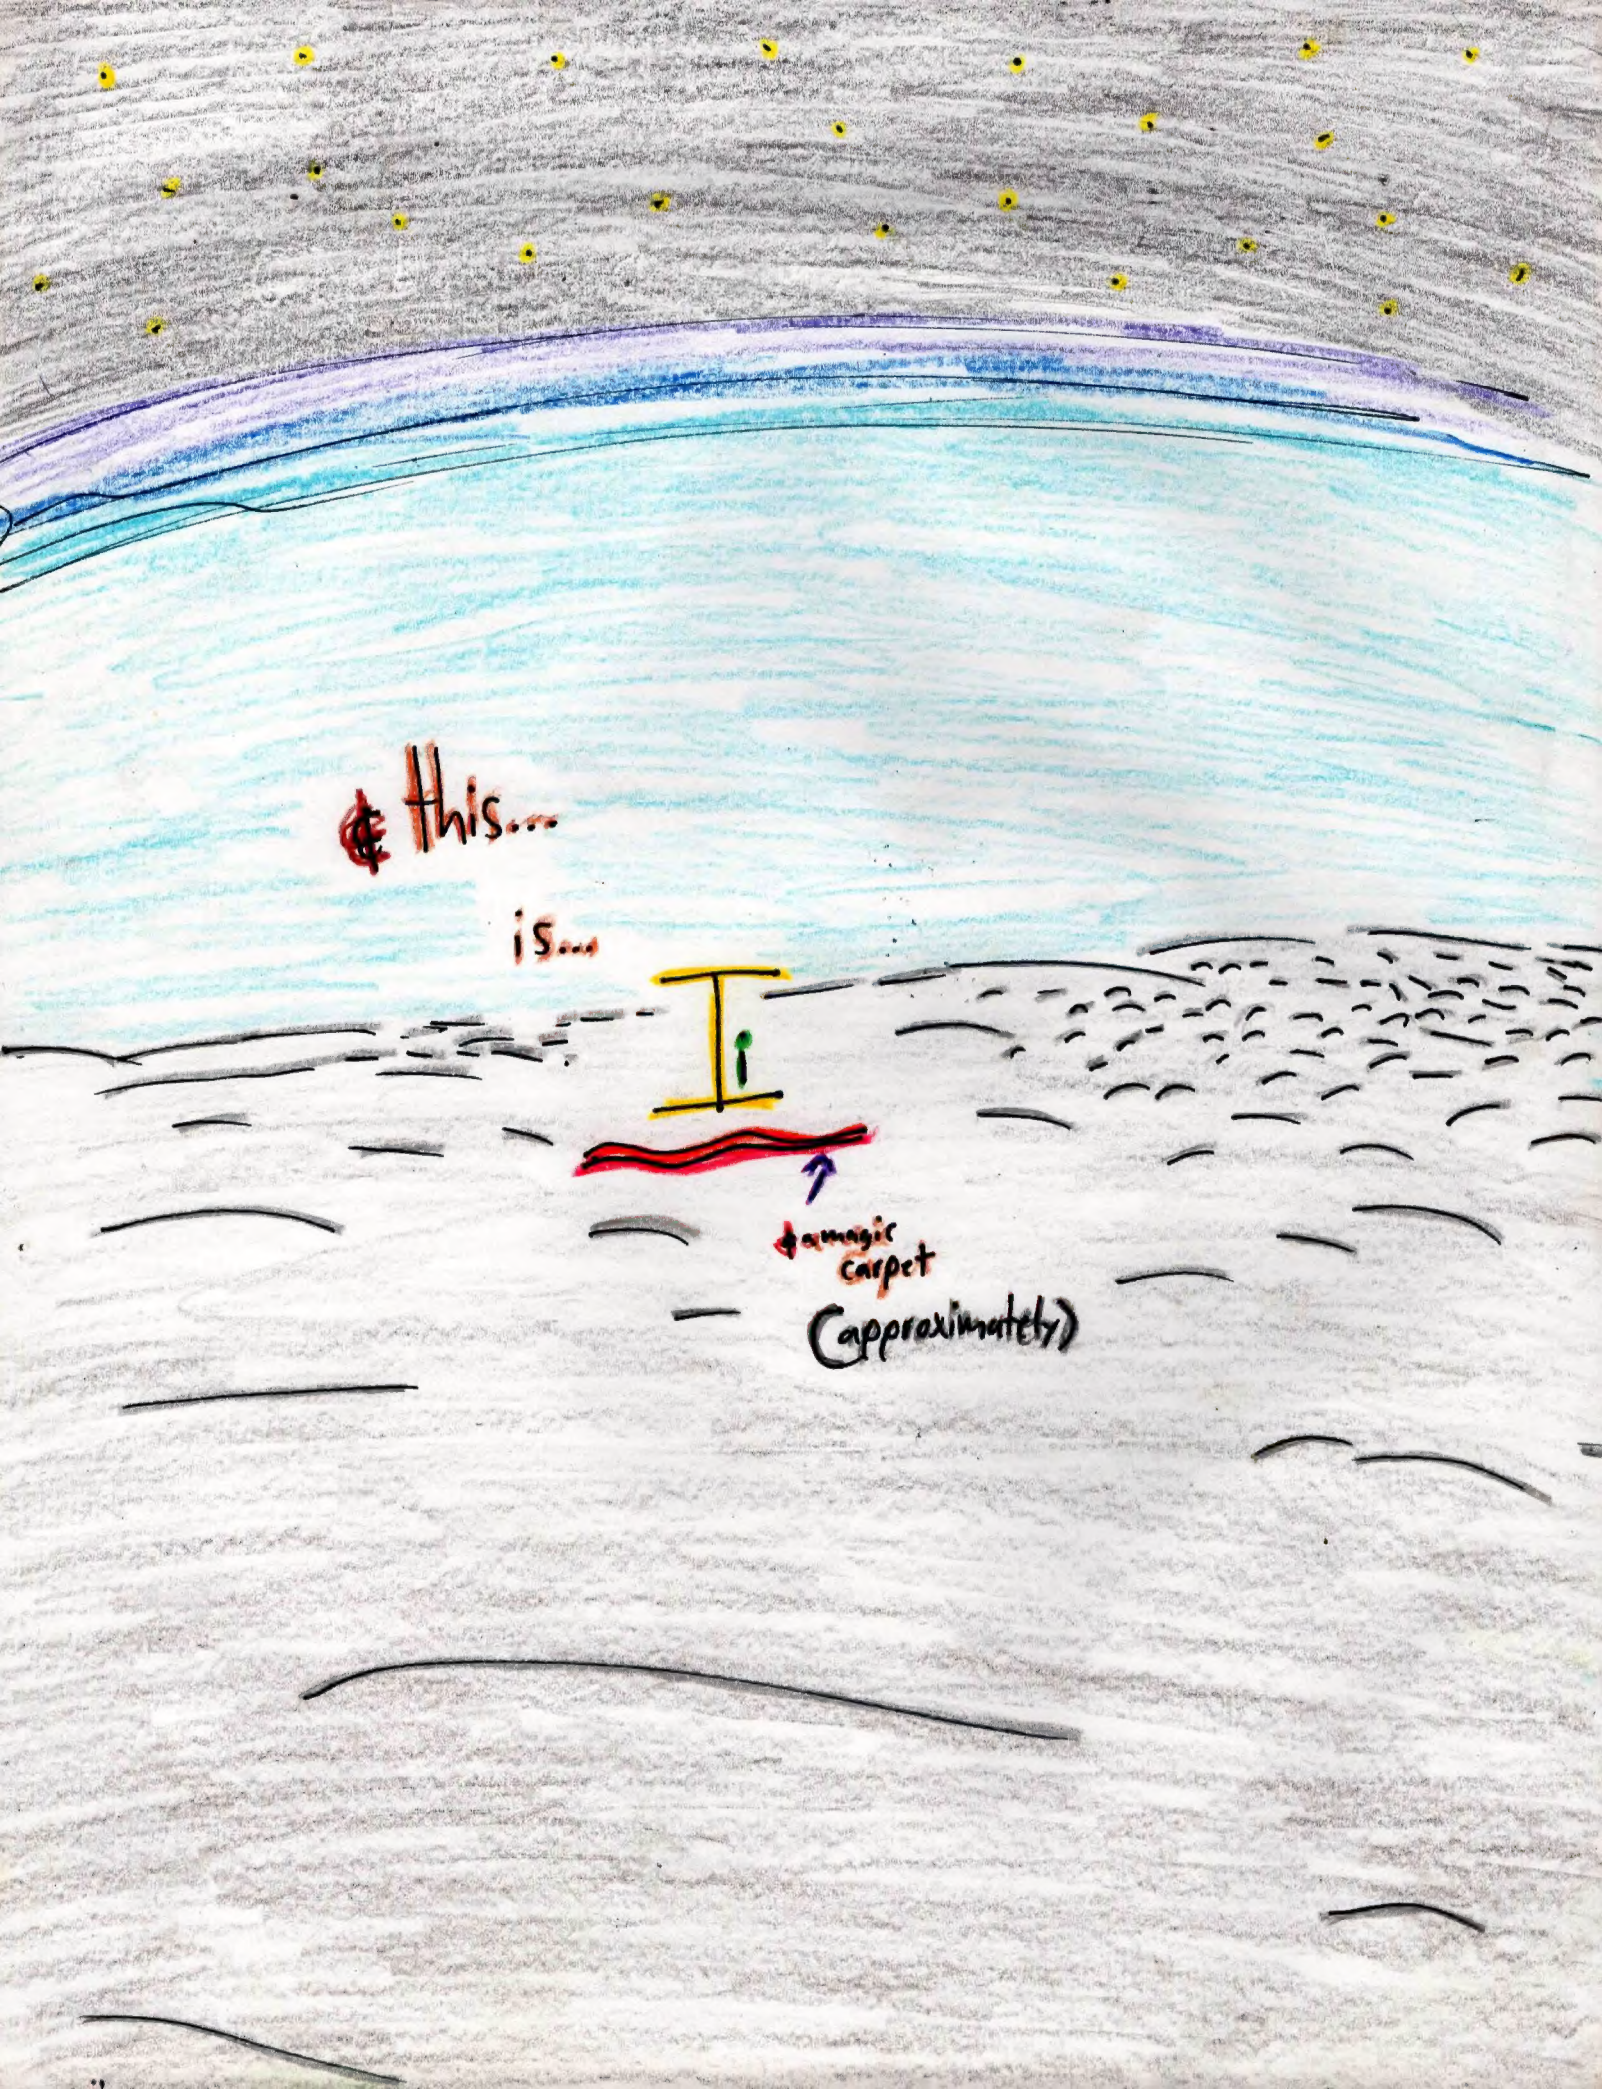

Hi! I'm Nathaniel,

this is my Shadow

this...

is...

magic carpet

(approximately)

??

He's been  
everywhere,

& waiting  
to  
remember

that one time

when he had been there,

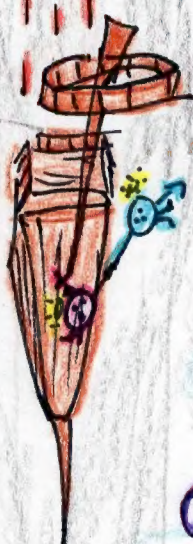

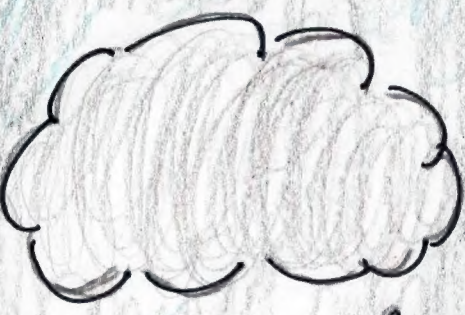

though... OFCOURSE...

only then, when I re-remembered...

had I even been there in the first place...

Image-i-Nation?

AND YOU'RE REAL??

i don't even need GOD's love to believe in that one!!

SCIENCE

implies  
multi-dimensions...

and

# 1: Safety & Security Corps

this is the innocent one... the baby, inexperienced...  
Its Safety is first and foremost...

ALL THE CHILDREN....

but what do we do when they all go out in that RED uniform...  
SCREAMING OUT IN PAIN!!

for many are lost...

& so out of our Fear,  
we find & create  
Security

our friend & our foe...

fake what?

Even the Beastis with GOD....

will you be with him...

that dirty Publican & Sinner....

Maybe as friends we can create strength & unity... though that's 2 levels up!

the Physical... the Bone... Earth...

GROUNDED

## 2: Operations & Engineering Corps

this is the child... learning, absorbing...

Creating & laboring

Sexuality, emotions

the driving force... the fuel... our wood for the fire...

the Lubricant... the Holy Water of Christ...

who's blood did you drink to be you today?!

There have been many men who have shed blood for us...

Can you "Master" guilt & overcome the illusion of sin?

What can be built to provide the support we need  
to support our Pride...

Simba...

All that you see before you is ours.  
Care for it, Love it... for it is all you have,

& you have yet to discover what that is...

Always having more than I could ever give...

YOU...

# 3: Command & Tacticle Corps

Now the Wheat is separated from the chaff...

Science wins & we can prove to ourselves our truths...

Hierarchies & Power are created

Hearths & Homes...

— Sport & Brother ship —

Unity ....

but at a cost...

there is now an other...

for you are not me

and

**I AM** the SON...

& these are MY tactics!! find your own,  
don't be my slave...

# 4: Marine & Relations Corps

The Blood... the Air...

Our Marines... Our True Heart...

Where EVERYONE is with you...

OUR Hearts united...

BEYOND BORDERS!!

for that you are here with me

My love, but not my whore...

Where I remember this is for our health.....

for our hearts...

for our Lives...

# 5: Science & Medical Corps

but if I can't perform...

My Apologies

Love You... I do...

# 6: Diplomat & Imagination Corps

Ooopps... don't get that egoy 3 up here... we could end up with a ceasar, a dumb beast, instead of a true Christ... a worthy

↳ Representative.....

do you even represat MY interests?

Lets use our imaginations & intuition  
to see beyond Time & Space

**THROUGH OUR TV SCREENS**

into our own minds...  
a reflection of God himself...  
but encoded in Good & Evil...

Uh... maybe the tree of life is also needed...

# 7: Intelligence & Spirituality Corps

what is the spiritual element?

Cause God called you king of everything...

did they do wrong? or was that you?

Can you imagine Chaos Theory  
& how Quantum Entanglement

implies **YOU ARE GOD**...

just tune in or something...

have a conversation..

**PRAY**...

No more We S#!..ing...

# 8: Family & Church Corps

I have a family.

My Aura is that family...

are you with me?

or do I need to let you go

& put you in God's hands...

Cause G<sup>o</sup>d is out there,

under many names  
& traditions...

Let's stop Yelling

Hey! Zues!!

Bring me some CHRISTO!!

& Recieve iCHRIST! ourselves....

# 9: Nature & Reality Corps
